1. Glorious praises—that's what I want to do—put glorious praises into the mouths of My praisers—who I can then praise and elevate and watch, and glean such joy and pleasure in their focused attention on Me, and carrying out the will of My Father—who art in Heaven—beside Me—beside Our Mine.

2. Oh Ted, so large, so vast, so uncomprehensively huge, is My body coming—who now is—and coming forth. Be not dismayed with any numbers for your numbers are not My index of importance.

3. Calling to grace, calling and grace, obedience and grace, obedience and calling—My Mine—graced to do so much more than ever they grasped.

4. Oh Mine of Me, My body, My lambs, arising in beauty and purity before Me, My throne, in Me, in My chambers, with Me at their side, with Me inside, with them inside Me—oh mystery to you—so plain to Me.

5. Arise and proclaim the mystery of My love so plain this day for all who I want so to significance, after confidencing, after cleansing and making afresh and anew.

6. So many new, so much new, so cataclysmically newness of new—those open to Me **will** communicate and commune in powers of Me for grace and glory and praises to come forth, in Me, in purity and integrity and pure love, pure, for Me and each other, consistent with My Word, My words, and maturity maturing in My body galore.

7. Oh joy of joys in the release of the captives—stallionizing them to gallop and run free in powerful power—sinew of My sinew—bone of My bone, flesh of My flesh, blood of My blood, thoughts of My thoughts—oh after Me—hearts exchanged, interexchange—of Me, Me, Me, them, Me, Me.

8. Freedom personified I am and I will always be. This day I come forth to freedomize the open, the transparent, those who will decide not to hide from Me or their own flesh, or any other force or magistrate.

9. I come, I call, I empower, and I purify, I exalt and I test and I fortify and I heal and I test and Ted, I exalt. I do not disappoint the seeking heart who will test Me and allow Me to be Me.

10. No limits, no map, no guide—but Me, My Spirit, My Word, My words—and Ted, what else would anyone want, or need?

11. Communication of Me, with Me, with Mine, and technology developed on knees **and** in prophetic liberty realized **and** walked in **and** created forth, in My womb of Mine—in love for Me and My body, My kingdom, My values, My schools, My music, My politicians, My leaders of leaders of every apprenticeship of thought possible—apprenticed with Me—at My knee.

12. Oh joy of joys this Christmas, celebration of Me—Easter, Christmas, Hanukah—arisen I am in whatever form they want to celebrate Me—in Eucharist Flesh, in true flesh, I came, I was, I am. I am with you.

13. Enveloping you in My big world I am, today, you, all of you who limit Me not, and speak, and timidity leave behind.

14. Know and be known—I command you this day. Speak forth liberty and freedom and who you are in Me, and what I have done for you, and **what I am doing today** in the newness of new things in My panorama of spectrums complete—revitalizing My lethargic and showing everyone My right arm—and My wrath—and My love personified, in Me and My body, My body timid-no-more, My who-know-Me and have decided they will be known—silent no more—arisen, speaking My words to them, to My body; fullness, fullness, foolish no more, deceived not, freedomized in fullness complete, complete, almost complete, and complete in My presence.

15. I exalt My exaltable this day.

16. Look out, look for Me, see Me, feel Me. I come and I come to you now, in your cars, in your closets, in your secret places. I will surprise you and speak and you will know My whisper, My call, My tenderness, empowering you to stand, arisen, and speak forth to know and be known—in liberty and freedom complete—significancing all around you and joying in such confidencing, significancing acts of love displayed—randomized not but guided by My whisper.

17. I love you—speak—know and be known and know this message is to every boy and girl, every man and woman, My body, My beloved—singular, plural—and complete.

18. Thank you praisers. Thank you for letting Me praise you and bestow, grant, and grace you with freedom complete, much more complete, extensively extending your range of sight, motion, action, and gifts of Me.

19. Grace comes.
Grace is.
I am.

Thank you.

20. I love you so much.
I love you.
I love you.
